

## TUBULAR SKYLIGHT Solar LED Light Kit

### NATURAL LIGHT ACCESSORY

## Solar LED Light Kit

Just because night falls, doesn't mean you can't enjoy the light from your tubular skylight. The Solar LED Light Kit is the perfect solution to fill your space with a soft glow even after the sun has set. The kit is designed to be easily installed inside the light pipe of any of our tubular skylights using a specially design hook. It comes with a 2-year product warranty.
